

## Mission

Our Mission is to serve individuals, families, and communities through prevention, treatment, and recovery services— ensuring that help today leads to a better tomorrow.

## Vision

Our vision is to lead the behavioral health field with innovations in prevention, treatment, and recovery for individuals and families, which promote the wellbeing of our communities.

Volunteer Behavioral Health is a private, 501(c)(3) non-profit organization. We are a United Way Agency.

Volunteer Behavioral Health was established to bring together behavioral health professionals dedicated to caring for our communities. Serving 32 counties in Tennessee, VBH provides a continuum of services to meet the needs of over 1 million Tennesseans.

**To see if your child qualifies, call our First Time Appointment line at 1-877-567-6051.**

Documentation may be required for eligibility.

This project is funded under a Grant Contract with the State of Tennessee, Department of Mental Health and Substance Abuse Services.

Volunteer Behavioral Health Care System (VBH) serves individuals, families, and communities primarily with behavioral health and substance use issues, including co-occurring disorders, who are seeking prevention, treatment, or recovery. VBH is a longstanding, CARF-accredited community mental health center that operates within a framework of a No Wrong Door (NWD) approach.
